## **Cera Reusser to speak about DOCK DOGS**

Be sure to attend the upcoming RCLRC meeting - September 15 at 8:00 PM

Cera Reusser and her dogs are very successful, in the exciting new National sport of DockDogs. In dock diving, dogs race down a dock, then fly off the end and into the water. Distance is the goal! DockDogs is open to any dog, of any size, of any breed, including mixed breeds and for dogs of all abilities.

Do you have a dog who loves to jump and swim? Attend this next special meeting and Cera will teach you how to get started with DockDogs!

## 2006 RCLRC Specialty

I would like to thank everyone who made this year's Specialty a success. I know I will forget some, so I will do my best (remember I am over 50!). Collen did an incredible job as obedience chair. She was out working at 7 AM trying to fill in the numerous holes. She also helped motivate me to make lists and get organized. Judy got a great job with Hospitality, while many club members and Kathy provided us all with a lovely brunch. Dan and Deb helped with the most useful trophy idea for our dogs, and thanks to Susan for running the trophy donations and selection of our crystal trophies. Thanks to Barb and Bob for the catalog sales and ad. Marilyn and Richard have done such an impressive job with our trailer that our judges wanted to photograph it for their clubs!!! The list of club members who came early on Wednesday and stayed late afterwards on Friday, to help with rings, is most appreciated too. OH yeah, the incredible auction (costly for me too) was a lot of fun, especially as I waited by my chair, to claim I it at the end! Thanks Julie and Lisa.

The show was a lot of work to put together, but Heather and Jeff made it so much easier by passing on a well organized book. I was able to copy almost everything and just change the year and judges. Of course rally was our first time event, so I had to start that file. It was a learning experience and well received from looking at our rally entry. Thanks again to Susan and Greg for hosting the BBQ on Friday. It is so much more fun to relax at someone's house.

Would I do it again??? I don't know now. Before the show I would have said never, but I really enjoyed entertaining the judges and the show itself. I will just let a few other people experience it first!!!

Please be ready, at the next meeting, to discuss the Specialty and bring any ideas about how we might improve it for the future.

Thanks again to all who helped. You did make my job, as Show Chair, much easier.

Betty Barkley  
2006 Specialty Show Chairman

## 2006 RCLRC OBEDIENCE and RALLY

I want to send a huge “Thank You!” to the wonderful people who volunteered to be Ring Stewards for Obedience and Rally this year – Jean Kane, Bob Parker, Dan Neal, Connie Burroughs and Richard Parker. Ring Stewards are a particularly important part of obedience and rally events, and our crew this year did an outstanding job. I also want to thank Bernie Meany for her mentoring and advice leading up to the specialty. I certainly could not have done the job without her!

Finally, I would like to thank Betty Barkley and RCLRC for the opportunity to be Obedience Chair this year. I learned a lot, and have a renewed appreciation for our club’s volunteers.

Coleen Powell  
2006 Specialty Obedience Chairman

## 2006 RCLRC Silent Auction

The Silent Auction, at this year’s Specialty, was a huge success! We made \$2007.00!!!! We had so many beautiful items donated, it made the bidding VERY enthusiastic! Everyone had a good time and happily came away with so many treasures! With such a huge diversity of items, it made for a really fun event! Thank you to everyone who donated items and especially to those, who donated their special talents! Thank you also, to Jo Hanscom, for being our expert “auctioneer”.

Lisa Cruanas and Julie Galbraith  
2006 Silent Auction Chairmen
