November Meeting Minutes

Rose City Labrador Retriever Club
November 21, 2008

Meeting called to order at 7:30 pm.

In attendance: Danny Neal, Debbie Neal, Marilyn Parker, Cindy Freeman, Lisa Cruanas, Bob Fagundes, Kathy Fagundes, Robert Gilchrist, Barbara Gilchrist and Joanne Huntley.

No Minutes from the October 2008 meeting.

President Report: Barbara Gilchrist reported that the Nominating Committee is working on the slate of officers. Secretary Report: Debbie Neal has received an email from the AKC regarding Clubs may be in violation of Rule Chapter 8, Section 4 Rules Applying to Registration and Discipline. AKC Clubs offering obedience, rally and other events for other registries/organization may be in violation as Clubs can not hold events without express permission of the AKC. Basically, Clubs can not hold events for other organization without approval from the AKC Board of Directors.

Treasurer's Report: Greg Huntzinger emailed November's Treasurer's Report.

Membership: Kathy Fagundes reported that we have four new members to vote on. They are Dan & Kristie DeHaven, Leanne Eaton, Suzanne Ventura, and Shirley Trotter. Motion was made by Kathy Fagundes to make them members. Motion seconded. Motion passed.

Specialty 2009: Kathy Fagundes reported Judges have all accepted. Jane Garvin has placed the Specialty on the Wiscoy Website. Kathy is looking for a person to take charge of breakfast at the Specialty.

Working Certificate: Barbara Gilchrist asked Danny Neal if he was going to do the Working Certificate at the Waterfowl Festival again in 2009. Danny said he would decide in March when the Waterfowl Festival Committee meets again.

Sportsmen Show: Barbara Gilchrist asked about the Sportsmen Show in February 2009. Debbie Neal will get the information in the newsletter and on the Club Website.

Old Business: None.

New Business: Barbara Gilchrist reported for the Nominating Committee. Proposed Officers: President-Barbara Gilchrist, Vice President-Judy Chambers, Treasurer-Greg Huntzinger, Secretary-Debbie Neal, Board Members-Ellen Sparks and Cindy Freeman. No floor nominations.

Danny Neal asked about entering altered dogs in Hunting Retriever classes at the Specialty since it is a non regular class. Danny had been told by Jane Garvin, show superintendent, that dogs must be intact. Barbara Gilchrist will look it up in the AKC rule book. Marilyn Parker talked about Restaurant Depot to buy items for events as it is inexpensive.

Meeting adjourned at 8:09 pm.

We Need Some Helping Hands!

Looking for volunteers to man our Club's booth at the Pacific NW Sportsmen Show on February 4-8. I will have a sign up sheet at the Annual Meeting. This is a great opportunity to socialize young dogs and see the show for free. It is not only hunting and fishing, but dogs, clothes and a array of vacation oportunities. Here is the link to the show:

Report of the HDLRC Show

** Editor's note - some of our members recently attended the HDLRC Fall Specialty. I asked Barb and the others to share their thoughts. I heard back from Barb—but those others.....(SH & JC) ... I'm not sure what happened— it must have been good though—or else they think—”What happens at High Desert, stays in High Desert!” (Wink)

Wow, the first day at High Desert was just gorgeous! The sun was out and the dogs were frisky with morning temps in the high 50s and the balance of the day into the high 70s. Sun block was

the order of this day for sure. As a first timer at this particular Specialty, I was struck by the attention to detail in running this show. The High Desert Club really put a lot of heart and soul into making everyone feel welcome, from the free squeaky toys for the puppy classes, fall colors decorating the rings and tables, to the wonderful hot ~ home cooked lunch that was open to everyone for Free! We all enjoyed ourselves even with the weather change on the second day to include Gale force winds and brisk temps. Our dogs from the Pacific Northwest held their own in wins but I think the most memorable part for me was the gracious hospitality of the High Desert Members.

Holiday Pet Safety Tips

1. Tinsel, tinsel in the tummy can cost owners lots of money.
2. Snow globes contain antifreeze, so none for Fido if you please.
3. All those lights, oh so pretty, but when eaten, make a pet's hair stick out frizzy.
4. Pine needles are best on the tree, or a puncture in your dog's intestine there might be.
5. Water in a pan under the tree keeps it moist but watch out for added preservatives, go free of toxins and avoid a dog's misery.
6. Holly, mistletoe, lilies and poinsettias are pretty, but when ingested by Spot, he will become quite sickly.
7. New toys or ornaments easily destroyed could make midnights trips to the Vet and ruin all the joy.
8. Garbage, garbage smells so yummy, but turkey bones can get stuck which isn't funny!

Reprinted from the PRSLA newsletter with permission

Most of us realize all the dangers the our dogs face during the Holidays—but perhaps we can take a moment alert our friends and call our puppy buyers from this year and give them a “Heads Up” as well.
