Hi All, We have so much happening as is the usual for our Springtime! First I would like to say on behalf of the Club a big THANK YOU to Valerie Jones who has been putting out our Newsletter! Due to so many things going on in Val's life currently, she has stepped aside in her duties as Editor In Chief. We appreciate so much Val's efforts and her willingness to step up from long distance to help where she could. Thanks again Val for your creative efforts and good humor. We will all see you at the Club's Specialty in July.

With the Newsletter Editor Job (most often a thankless position) we are very fortunate to have a willing and knowledgeable person who has done this job for the Club before. We are excited to announce that your Club Newsletter Editor will be Celeste Smith. Celeste, as most of you know, has been our Newsletter Editor a few times before and we already know she will do a good job! Thank you Celeste for answering the call ~ We look forward to the new look of our Newsletter.

The Club is sponsoring a Field Training day at Cathy and Jeff Hakola's Farm on Saturday May 8th @ approximately 11 am. Please see directions and information elsewhere in this newsletter. This can be used as a good prep for your doggies and the upcoming W.C. Event June 5th on Sauvie Island. Get out there and work your dogs, you'll love doing it and it's what they were bred to do....

The Club's B-match is coming up May 15th and will be held at the Chambers' Home. We will have our General Membership meeting following the Fun Match. My Vice Pres Judy Chambers will run this meeting as I will be out of town.

The Specialty and Obedience, Rally trial is fastly approaching in July. Please contact Julie Galbraith and volunteer to help out.

See you at the Field day event on Saturday.

Your Prez ~ Barb Gilchrist

From the Editor...

Barb has asked me to take back over as newsletter editor. For those of you new to the club, I have been a member since 1991 and have served previously as editor in the early 90's for about 6 years and also in 2004/2005.

If you have any articles, litter or adult dog ads, brags etc. for the newsletter, please have your information to me by the 25th of each month. Please send all info to n2labs@tds.net. I still have dial up, so no large files please. I look forward to serving as your editor once again.

Specialty Trophies

Hi Everyone,

It's that time again when I start asking for trophy donations. You all know it is very expensive to have a top quality Show. Trophy donations are one of the ways we can help cover the costs. It allows us to offer some beautiful trophies.

I will have the sign up list at the B-Match, but feel free to email me if you have a special one you want!

Thanks,
Susan Huntzinger

Exciting Specialty News

A new AKC Rule goes into effect, on July 1, 2010, which allows clubs to divide the 12-18 Puppy Conformation Classes, as they are divided in Sweepstakes. RCLRC will be the VERY FIRST Labrador Specialty to offer "12-15 AND 15-18 Puppy Conformation Classes", which is pretty exciting!!

We will also be offering the new "Select Dog" and "Select Bitch" Awards, toward the new AKC "Grand Champion" title. These new awards are for finished dogs only.

Plans for the Specialty are going well! I hope everyone is busily planning their Silent Auction Baskets!!

Distemper Outbreak in Raccoons

We just had to kill a disoriented raccoon that my dogs were barking at and going after in my back yard yesterday afternoon. I called my vet and OHSU and they had me booster my dogs even though they are up-to-date on their vaccines. I had to bleach their water buckets and not leave their water out overnight anymore. Distemper is carried by the saliva and a wild animal might drink from it. OHSU said they are not seeing rabies in our area, but they are seeing a lot of Canine Distemper in our raccoon population. Then I saw this piece on the News showing distemper infected raccoons being put down in Woodburn.

If anyone has any ducks in their freezers, please bring them along. This will be mostly land work as there is very little water that is available. Any questions, please contact Dan or Deb Neal at 503-369-4868. We are planing a potluck immediately following the training including hotdogs and chili and fixins, so bring whatever.

Please RSVP so we can get a head count.

The 2010 B Match is right around the corner. We hope you all have May 15th marked on your calendar. I have already received a few pre entries and if you still want to pre enter, you have until May 7th. The match flier and entry form is enclosed in this month's newsletter.

After the match there will be the monthly meeting and BBQ and potluck. Please check the flier for what you are supposed to bring according the first letter of your last name.

Thank you to everyone who has already volunteered to help with setup, entries and stewarding. However, we can always use more hands in the pie, so if I should see you at the match with nothing to do, you may just find my hand on your arm gently leading you to an assignment!

We hope to see you on the 15th with puppies in tow and obedience dogs ready to work.

Adieu, Adieu... to you and you and you!

"The time has come the Walrus said to speak of many things."

First of all, I want to thank each and every one of the RCLRC members for their support during my stint as Editor of the Retriever Review. It has been an awesome ride! I cannot tell you how many things I learned to do and it was very fun. I also grew closer to many of the members, which is very important to me as I am sooooo far away.

However, my personal life has snuck up and bit me on the behind! My in-laws, who live directly next door to me have been very ill for the past year and aged dramatically. I am their primary caregiver and must make at least 2 visits to their home daily, squeezing it in between jobs, wife, mother, grandma, business owner, lab lover, obedience trainer duties. I just wasn't doing the newsletter justice - let alone EVER getting it out on time (Mea Culpa). And, I won't even confess to how many times I have had to scoop poop every other day, rather than daily - sheesh, now that's bad!

After visiting with Barb last month, we concurred that the time had come to turn the reins over to a new editor and I am sure she will do an excellent job. Celeste Smith has volunteered to be the new Editor. Please throw your support behind her and keep those great additions to the newsletter coming (or I should say ... GOING) to her. The newsletter takes many hands and submissions to be a success and I know we have a super group in our club that always have and always will share their news, knowledge and experiences.

It has been my pleasure ~ again, thank you one and all.

Sincerely,
Valerie Jones
P.S. See you in July!
