PRESIDENT'S MESSAGE

Summer is here (at least for all those of you who live in Oregon). It's still cool and cloudy with spits of rain in the great State of Washington. Let's hope our TWO BIG events have good weather. The Hunting Retriever Test (HRT) is coming right up July 10 & 11 out on Sauvie Island. Anyone who is interested in pursuing their first Hunt Test Title should give Nikki and Dave Illius a shout and show up to help. These Field tests take a lot of man and woman power so please call them to volunteer and discover a whole new world in loving your Labrador!

The following weekend (July 15-17) starts with a bang as we host our Specialties and Obedience/Rally trials. Julie Galbraith is our Show Chair and she also needs more volunteers. If you are helping with set up, you need to come around 3 pm on the afternoon on July 14th at Champoeg State Park. There's always lots to do in preparation to make these shows happen so we will be expecting you. Look for all the particular information regarding these events further in this Newsletter. Remember this little Lab Club is only as good as ALL it's Members and their willingness to give of their time. See you at Set up!

Your President, Barb

From the Editor...

I hope you are all enjoying this 3 day weekend. July is such a busy month for the club. I hope you can volunteer in some way at either of our events.

I use PageMaker - an ancient version ~ to create the newsletter and I may have to upgrade this summer to another program and to my newer computer. It seems computers age in dog years and mine is from 2001. Yes, a miracle its still working. I've found many of the items you send to me I cannot open and my clip art is limited. As I investigate the newer programs out there, please send me your documents in one the older verions of Word (before 2007). The emails folks have been sending me work great. Unfortunately some of the logos sent to me PM doesn't recognize. So please have patience as I upgrade. Hope to see you at the events!

Braggs

June 5, 2010 - RCLRC WC test

Quail Run's Kindred Spirit (Dred) received his WC.
Alibi Rowena Ravenclaw CD RA CGC also received her WC at the age of 8 1/2. Raven is Dred's Grandmother.

June 13, 2010 - Tacoma Kennel Club, Puyallup WA

Quail Run's Kindred Spirit WC was WD/BOW/BOB over 3 specials under judge Peter Baynes. BUT, it did not end with that. We made our debut in the group ring under Australian judge Derek Hyde and finished the day with a Group 1 for a 5 point major!!!! On top of it all, this accomplishment was all breeder/owner handled.

Dred is out of CH Hyspire Shahli Hotter Than Blazes x Quail Run's Jubilation RN WC CGC and is bred by Cindy Freeman and owned by Grant Freeman and Cindy Freeman.

Specialty News

Set up for the Specialty is on Wednesday, July 14th, at 3:00 p.m. at Champoeg Park! "Many hands make light work", so I hope everyone will please show up to help and we will be finished in no time at all!

Lili Lobingier needs helpers with setting up the breakfast and serving the lunches each day. She especially needs a volunteer to start the coffee first thing on Thursday morning! We also need breakfast donations each morning ~ especially pastries, fruit, juice, etc. I would really like to thank Lili Lobinger for stepping up and volunteering to chair the Specialty Breakfast! Lili really needs some helpers since she was also already chairing the Specialty lunches and drinks. She especially needs someone to start the coffee first thing on Thursday morning since she has a prior conflict at that time! Thank you Lili!

Please bring your Silent Baskets early on Saturday morning, July 16th. Cathy Hakola, our Silent Auction Chairman, will be setting up the Auction tables under the shelter. I always marvel at our clever Silent Auction Baskets and I hope everyone is busily creating their masterpiece for this year's Silent Auction!

RCLRC really appreciates your donations and help!

Specialty Misting Station

I would like to REALLY thank Cindy Freeman for also answering my emergency call and volunteering to chair the Misting Station and bleach water Poop Scoop Buckets! Puget Sound used a mister last year which cooled not only the dogs and handlers, but also lowered the temperature of the whole surrounding area. This will replace the wading pool which can get quite dirty. Thank you Cindy!

Thankfully, Winter has FINALLY left us this year and the sunshine has FINALLY arrived, just in time for the Specialty! I hope all of your dogs are in coat and everyone is ready and raring to go!! Let the fun times begin!!

Julie Galbraith

2010 RCLRC Specialty Chairman

Silent Auction Baskets

I hope everyone is busy creating their Silent Auction Baskets, for this year's RCLRC Specialty in July! I can't wait to see how imaginative and creative you all are! Let's see if we can top last year's wonderful Silent Auction!!

Please contact Cathy Hakola if you have any questions or want to donate:

hakolafarms@aol.com or
360-736-7449

Thanks in advance for all your time and expense that you have put into your baskets!!

Please Don't Forget...

The Specialty Breakfast
Let's get 2010 Specialty off to a great start for the exhibitors and put together a wonderful complimentary breakfast for them. We will bring a hot dish; the club will provide muffins, bagels, and hot beverages. Your contribution of a brunch food such as fruit, pastry, or juice will be greatly appreciated. Any questions please contact Lili Lobingier at (503) 925-9212 or Cathy Hakola at (360) 736-7449 - Thanks for all your help!
