President's Message

Hi Club Members ~

Duck Hunting is here! It's what our Labs were bred to do and there's nothing like hunting over a new young dog and watching all those lessons start to come together. We witnessed this coming of age in our floating blind last week while hunting over fellow Club member Greg Fulwider's young yellow male named "Crush". Don't you just love Fall...

As the New Year comes closer, our Club's Nomination Committee has been helping with the preparations to ensure that our Club has Officers and Board positions filled. You will find in this Month's Newsletter their Nomination List. As Per our By-Laws, "Additional Nominations may be made at the November General Club Meeting by any Member in attendance provided that the person so nominated does not decline when his/her name is proposed and provided further that if the proposed candidate is not in attendance at the meeting, his/her proposer shall present to the Secretary a written statement from the proposed candidate signifying his/her willingness to be a candidate. No person maybe a candidate for more than one position".

At our Last October General Membership meeting, it was decided that our Annual January Meeting which includes voting for the New Officers and Board and a Pot Luck and Gift Exchange will be held at the Huntzingers' home. Contact Susan Huntzinger should you need Directions. This Meeting is held on the Saturday Evening of the Rose City Cluster All Breed shows/Portland Expo in North Portland. There will be more information regarding this a little later.

An interesting new idea was brought up at the Oct. General Meeting which followed with a motion that was passed. At our January Annual Meeting in the past, we ask for anyone to stand up and make suggestions regarding Judges for the upcoming events. We normally ask that you give us information regarding them, their kennel name, and anything else that might help us come to know the perspective Judges. From that information we vote with a show of hands with

the most vote getters being the Judges we ask for the next Specialty and Obedience/Rally, etc. This Year we are going to have a simple form for you to write in the name and further information about any Judges you might like. That nomination will then be read out loud at the January meeting. A written Ballot Vote will then be passed out for all Members in Good Standing to fill out with the Judges' names, collected and then counted by our Secretary and or Treasurer. These new forms will be sent out ahead of time (coming weeks) and we will also have forms ready to hand out at the January Meeting. The final count will be announced as to what Judges got the most Votes along with the runner up, etc. This will be a fun and exciting way to organize and go faster at our Annual Meeting. So put you thinking caps on about what Judges you might like.

I want to Thank our Nomination Committee for answering the Call from the Club Board. Thank You Kimberly Dotson (Committee Head)for organizing and overseeing along with Lili Lobingier & Tanya Rutherford.... Thanks Ladies! GOOD JOB.

I look forward to seeing you all at the November General Meeting with those Floor Nominations!

Your President ~ Barb Gilchrist

ALL Dogs Deserve to be Registered

As part of the “front lines” of purebred dogs, we rely on our loyal breeders to communicate the benefits and importance of AKC registration to their puppy buyers. To ensure a strong future for you, your fellow breeders, and all purebred dogs, we need all of our breeders to make a concerted effort to ensure that every puppy in each litter you have bred gets registered with the AKC. We have implemented a new initiative to help you accomplish this goal.

The AKC has begun sending all breeders who register a litter an email asking them to provide us with their new puppy buyers’ contact information. The email includes information on our new **Online Litter Record Service**. This service allows breeders to supply AKC with new puppy buyer contact information in an easy-to-use online format. If the breeder does not want to use the new online service, a link to a printable version of the litter record is also available. The new puppy buyers will then receive an e-mail or letter from AKC detailing the benefits and importance of AKC registration.

The new puppy buyers will only be contacted by the AKC. Their names will not be sold or used for any other promotions or marketing when given through this initiative. As you have experienced, puppy buyers tend to be more concerned about caring for their new puppy at the time of purchase, and often forget about one of the most important steps of responsible dog ownership – AKC registration. Our goal is to reinforce their decision of purchasing an AKC puppy and to educate them on the many benefits that they can receive with registration.

The AKC is dedicated to promoting responsible dog ownership and educating new puppy buyers about registration benefits and the important programs that every registration supports. Registration dollars help the AKC fund important educational programs, support the research of health issues through donations, and continue to subsidize AKC events. Our registration numbers also help us to maintain legislative influence and ensure that like-minded organizations continue to support the AKC through alternative revenue programs and sponsorships.

With your support, and by working together, we will be able to take the necessary steps to ensure AKC’s long and healthy future as the nation’s preeminent purebred dog registry.

For more information or to use our new Online Litter Record Service, please visit us at www.akc.org/litrec. Please note this service can be used for recent or past litters.
