Happy New Year Lab Lovers!

Can you believe it? 2013 is here... We are starting to already gear up for the Sportsman show which is being handled by Bob Fagundes (see information in this NL). A great opportunity to socialize your youngsters as they are loved by the public and a good time to educate the same about our great breed. So sign up for a time slot and plan now to attend the Sportsman show.

This year the Rose City LRC is sponsoring Sweepstakes at the Rose City Cluster. I hope everyone can make it and support our very own Betty Barkley in her Sweeps Judging Assignment. That same weekend (Saturday) is our Club's big Annual Meeting. It's a pot luck and for those who want to join in the fun, bring a \$20.00 gift for the exchange. High stakes happens to some of those gifts that we all want.

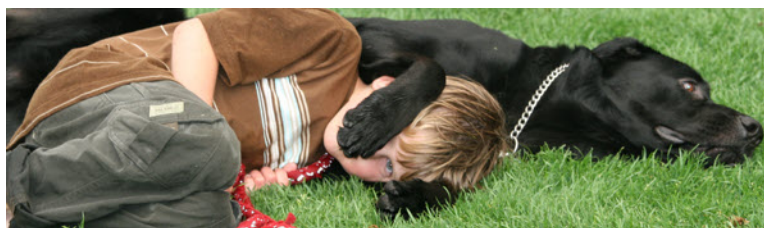

I asked our Newsletter Editor if she would carry a cute email from a special Lady who gave one of our Special Champion Bitches (Soche to all those who know her) her forever retirement home. Jeanette is made for Soche and Soche is made for Jeanette. I would hope we can always find these "Best" homes for our older doggies when we have retired them. Jeanette was our third Family inquiry for Soche as we were not going to let Soche go to just any qualified home, we just knew it was a perfect fit. I hope you enjoy the note from Jeanette as she relays a simple bit of weekly news about Soche... we should all be so lucky as Soche and Jeanette... peas in a pod!

Soche watching TV from bed

Dear Club Members,

Do you ever get those letters and emails from your Pet Families that really hit home? Our Champion Bitch named Soche was a Great Contributor to our Blackthorn Program and when we spayed her in prep for her Retirement, we wanted a very special home for her in which to spend the rest of her life. Several qualified homes could have worked for Soche, but then came Jeanette. Read Jeanette's words below... I know you will appreciate their wondrous bond... we should all be so lucky! Barb

She writes:

Your Soche is an absolute show-stopper. People ask permission to pet her. They will walk across a parking lot to come see her.

She is so very sweet and loving. We have a private cuddle every morning and every night at bedtime. She takes naps up on the bed with me. And there's lots of petting in the meantime during the day. She follows me around and flops down patiently. So calm in the car.

She has some loud persistent barks to get my attention, versus the whining for attention. The sharp barks are for Water Bowl Empty, When Is Dinner, and Let Me Out Now, You Idiot, unless you want me to go on the rug.

I love this dog. There will never be another one like her, and I know that. So I don't want to miss a day with her. She goes where I go or I don't go there. I haven't been away from her for even 1 night.

She is napping now while I type. When I get up to move to another room, she will too.
