Starts at 7PM

Hi All Lab Lovers,

Our Club's activities are starting to gear up for all our events in 2013. First up is the Sportsman Show this month where Bob Fagundes is organizing Club Members who want to attend with their doggies to help educate the public about our Breed. If you want to participate, better hurry up and contact Bob. Not only is this a good place to socialize your young Labradors, but also a good venue to introduce our great Breed to the public. I would encourage you to participate... get active in your Club and enjoy your time spent with your fellow Club Members.

The Labrador Retriever National is coming this Oct 6 – 13, 2013 (see flier). As it stands right now the Regional Specialty will be on Wednesday Oct. 9th with the National L.R.C. Specialty Thurs/Fri Oct. 10 & 11th followed up with the HRT & W.C. Nothing is completely set in stone as yet, but as that information becomes definite, we will update you. I know there are Club Members out there who need as much early information as they can for getting their work schedules arranged. I hope this helps.

I want to take this time to thank our out-going Vice President Judy Chambers for the excellent job she has performed over the past years. Not an easy job as she has to put up with the President I also want to take a moment to welcome our new Vice President Lisa Cruanas. Lisa is a worker bee for our Club and has provided those beautiful handmade show leashes for our Gifts over the years. Most recently she donated leashes at the Supported Entry show at the Saturday Rose City All Breed Cluster shows. Lisa is a true Artist and we also enjoy her flower arrangements at our Shows year after year. We are glad to have Lisa aboard!

This coming July our First Time Show Chairs' the Married Team of Blake and Kimberly Leamy, bring their upbeat can do attitudes. They might have things that need to be done and if you feel you could do something to help... don't hesitate to call them. I know they would appreciate the effort and help.

The next meeting will be at Elmer's Restaurant in the North End of town Feb. 15th @ 7pm. We will be discussing the possibility of raising our entry fees for our Specialty and also Supported Entry for the Rose City All Breed Show and taking names for the Sweepstakes Judge. This year was our own Betty Barkley. We would like to hear names suggested that are local and breed specific (Lab breeder). This kind of judging/ learning assignment is a great foot up for aspiring Judges. We are not interested in someone who is of another breed or not interested down the road in possibly applying for their AKC License. Keep this in mind when bringing names forward. Of course, it would be great if the names proposed were actual RCLRC Club members. Very few times in this hobby does a small club get to have such a say in the larger all breed system. We look forward to seeing a good turnout for name suggestions and possible entry fee increase.

Your President,
Barb Gilchrist
