President's Message

Hi All Lab Lovers,

Without a Regular General Membership Meeting, our Newsletter will be a short one.

Our HRT is coming right up and I urge any of you who have some free time next weekend (July 6th and 7th) to call Nikki and Dave Illias to ask what you can do to help with the event. It takes a lot of workers to put our HRT on. There was an email notice looking for volunteers. If you have ever wondered how you can give your time to our Lab Club and you are a member, this is the one event we need you to show up and work. Being a Club member means helping with our Club's events. It's not enough to just be a member....you have to give of your time and this little Club relies on its members to work. Please call the Illias' and I thank you for your volunteerism.

On to the Specialty/Rally/Obedience Show the next weekend (July 11, 12, 13). This event seems to have enough help every year with those who are attending. Ring Set up is the Wednesday evening before and there's always lots of smiley faces ready and willing. I love that! Blake and Kim Leamy are our Chairmen for this year's Specialty and they would love a call from any of you who are looking for ways to help.

Our Club's biggest two events happen one weekend after the other, so please come and support our Chairmen of these huge Events. It takes a village ☺

Your President ~ Barb Gilchrist

Hotel Inquiry

I think every human should get a chance to read this!
Therefore, I am sending it on.

"Dogs Welcome"

A man wrote a letter to a small hotel in a Midwest town he planned to visit on his vacation. He wrote: "I would very much like to bring my dog with me. He is well-groomed and very well behaved. Would you be willing to permit me to keep him in my room with me at night?"

An immediate reply came from the hotel owner, who wrote:

SIR: "I've been operating this hotel for many years. In all that time, I've never had a dog steal towels, bedclothes, silverware or pictures off the walls. I've never had to evict a dog in the middle of the night for being drunk and disorderly. And, I've never had a dog run out on a hotel bill.

Yes, indeed, your dog is welcome at my hotel.
And, if your dog will vouch for you, you're welcome to stay here, too."
