President's Message

Happy Valentine's Day

Upcoming Events

General Meeting: Feb 21st at
Elmer's Restaurant, Delta Park,
Portland OR at 7:00

Greetings fellow Lab Lovers!

I can't believe it is already February and that I am now your not so fearless leader. I thank all of you for the vote of confidence and I will certainly do my best to keep this wonderful club going forward.

I have some very big shoes to fill and I want to personally thank Barb Gilchrist for her many years of serving in this club's best interest. I know she spent many countless hours working behind the scenes for the betterment of our breed and our club. My hat is off to you my friend!

By the time you read this the Sportsman Show will be underway. I want to thank all of you who stepped up to the plate and responded to my request for volunteers. It is the members of this club that make the entire body successful.

Start thinking about where you can put forth your time and energy for our 2014 events. We have the B Match on May 11th, the WC on May 31st, the HRT on July 5th & 6th and the Specialty on July 10th, 11th & 12th. These events do not run themselves.. Even with the more than capable chairpersons in charge. They need help from our members. The jobs are not difficult and there is always someone to help guide you along.

As many of you may already know, there seems to be an alarming increase in the number of breeders who are specializing in "dilutes" and passing them off as "Rare". These are the Silver, Charcoal and Champagne colors that are being registered with AKC as Chocolate, Black and Yellow. This disturbing trend is much worse than the Labradoodle since those at least were not being registered with AKC. I would like everyone to brainstorm a little and come to the next meeting so we can discuss possible ways to slow this problem down.

The next meeting will be Feb 21st at Elmers, Delta Park at 7:00PM. I hope to see many of you there. Remember that the meetings are open to the entire membership.

Your President, Cindy Freeman 🐾
