President's Message

Upcoming Events

September 19, 2014
General Meeting
Meridian Park Hospital
7:30pm

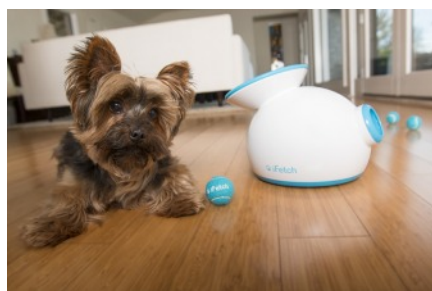

July is already a blur in my memory. The specialty was a huge success. I want to thank Susie Morrill and Judy Chambers for their work as Show Chair and Co-Chair. That is a big job and we all need to appreciate the time and effort that goes into putting on this show.

Behind the scenes are so many people that I am afraid to even start naming names for fear of missing someone. Thank you one and all. I also want to thank Ellen Sparks and Lizzie Moir for stepping up to the plate to chair the 2015 specialty.

The next meeting will be on September 19 and there are several important topics that will need to be addressed and it is imperative that we have as many club members as possible attend this meeting. It will be at Meridian Park Hospital in Tualatin, OR so we will have more room for everyone. The meeting will be at 7:30. We need to have you all start thinking about the upcoming events in 2015 and what you can do support your club. We have many events that need chairing. This is short this month and I hope to see many of you at the September meeting!

Your President, Cindy Freeman 🐾

IFetch

Wouldn't this be great for our crazy retrieving Labradors.

This fun new gadget started out as a Kickstarter campaign last year and just won a Best New Product Award at SuperZoo. Wouldn't this be great for our crazy retrieving Labradors.

Litters

Please note that our puppy referral service is for litters of our members who are in good standing with our Club and the American Kennel Club and has been made available for your assistance in finding a new puppy. However, The Rose City Labrador Retriever Club makes no warranties, expressed or implied, as to the condition of any dogs being offered for sale, standards or practices of any breeder, the quality of their animals or the accuracy of any of the information contained in these ads. RCLRC does not endorse, recommend or guarantee any kennel, breeder or dog listed in the newsletter.

BRAG

On his first birthday at the Rose City Lab Specialty, Wyatt earned his BN title, followed by his first RN leg. The following day he earned a second RN leg. At the Stumptown show the following weekend, Wyatt won his RN class to earn his RN title. At the tender age of one year and one week, Wyatt is now: **Midnightsky's Space Cowboy, BN, RN, CGC.**

Oakley also did well at the Lab specialty, earning his RN (but losing to his little brother by three points!). Oakley is now: **Midnightsky's Spirited Superstar, RN, CGC.** I am so proud of both of my boys! They seriously make training fun.
Owner/Handler: Julie Marquis

Specialty Raffle

I want to thank everyone who donated to the Raffle for our specialty. It was a great success. I really appreciate it.
Thanks again!
