# Braggs & Wags

**From Lizzie Moir:** My boy, Warrick, continues to astound me with his work ethic and desire to learn. In less than a year we have worked together to earn 7 titles....and these are just the beginning as we are already in training for more. He is currently UCH Scifi's Gungans, Wookies & Ewoks Oh My, CGC, RATI, RATN, BN, RN, CD. Goals for this next year include the WC this summer as well as a JH leg or two (dare I hope for all four?), Rally Advanced and Excellent, and eventually (if we are brave enough) the Open class! Of course we will see you in the conformation ring starting in January at Puyallup and Portland!

# Judge's Selection Process

The RCLRC has a wonderful and democratic process for selecting judges for our annual specialty and b-match. The ability for all club members to nominate and then vote on the judges is unusual in the Labrador world. However, it can be a chaotic and time consuming process at our annual meeting in January. We often have guests and non club members in attendance. Counting votes by a show of hands when people are distracted with conversations (and lots of wine!) can be difficult.

Club members in good standing will use the attached form during the months of November and December to nominate judges. The nominations will be placed on a ballot that will be handed out to club members in attendance at the annual meeting in January. No nominations will be taken from the floor. Ballots will be counted and if a run-off is required it will be done by show of hands for the tied candidates.

Each club member's nominations are limited to the following (only one name can be put forward if that is all that is all the member wants):

- Two regular class judges for the specialty
- Two sweepstakes nominations for the specialty
- One obedience judge for the specialty

B-match nominations are limited to three names:

- Regular class judge
- Sweeps judge
- Obedience judge

Please research your specialty selection(s) to make sure they are not judging another West Coast specialty or local all breed show in the year prior to the RCLRC show date. Provide a brief history of the judge and their kennel name that will appear on the ballot. Obedience judges do not need this information but must be able to judge obedience at all levels plus rally.

For your b-match nominations consideration should be given to people who plan to eventually apply for a judging license. A RCLRC member is usually selected to judge wweep at the b-match and the regular class judge can be anyone. Obedience nominations should be able to judge obedience and rally. Please make sure the b-match nominees want to judge before putting their name forward.
